

No.11 & No. 21

Our solid timber pendant range consists of two similar forms, a partnership of contrasting sharp edges and soft curves. No.11 & No. 21 are strategically assembled and turned by hand to incorporate accents of reflecting colour, line and feature each products unique grain.

Envisaged to be displayed independently of one another, or in a variety of playful configurations combining colour and shape, the Apparentt timber pendant is sure to enhance the tone of any interior.

White ceramic lamp holder and 1.8m of black cloth cord included. Electrician to install.
